Inspiration Assignment #1

As a newcomer to the world of photography it is important to find your own identity, passion, and personal photography style and look. To get you started and inspired for this journey we are going some of the greats and their work.

Requirements

- Find 5 to 10 images that...
 - capture your attention
 - you find physically pleasing to the eye
 - elicit an emotional response
 - makes you think, ponder, ask questions about whats happening in the image
 - Etc...

images should have lightbox feature activated

- Images should range in genres and themes (i.e. landscape, wildlife, portraiture, architecture, etc...)
- For each of the provided images write a few sentences explaining why this photo inspires, why you like it.
- Put your completed work on your website under the Assignments page. You must give credit to the photographer for all images posted (use caption feature).
